Materials:

- a tin can per drum (emptied and cleaned)
- a balloon per drum
- elastic/rubber bands
- dry goods to enhance the drum's sound (rice, lentils, beans, chickpeas, small stones, etc.)
- scissors
- drum sticks (unsharpened pencils, chopsticks, wooden dowels, knitting needles, or crochet hooks)
- items to decorate the can: acrylic paint, stickers, washi tape, etc...

Directions:

1. Gather together your materials. As an optional step, you can sand down the interior of your can.
2. Have your child place a handful of the dry goods into the can. If you have multiple cans, you can experiment with different types of dry goods and mixtures.
3. Use scissors to cut off the end of the balloon where the opening is.
4. Stretch your balloon over the opening of the tin can and secure with an elastic band.
5. As a final step, your child can personalize their tin can with craft supplies.
